

Ethereal Crystals 10-11-12

Founder: Ole Gabrielsen

It is now possible to give a powerful crystal healing, WITHOUT crystals. Through attunement you gain access to a specific crystal's energy and can channel it by intention.

These ethereal crystals are much stronger than those found in earth. You can place them on the body, just by pointing at a certain area of the body, and by thinking the stones name. The stone will disappear when the energy is no longer needed.

Furthermore, you can create powerful gem elixirs in seconds and increase the strength in certain gemstones by 400 %! An Ethereal Crystal healing can stand-alone or be combined with other healing methods, such as Reiki. You are also taught distance healing and how to pass on Ethereal Crystals 10-11-12

How to pass on Ethereal Crystals 10-11-12

1. Imagine/visualize that you are surrounded by the energy of all the stones in Ethereal Crystals IV, that is slowly becoming stronger and stronger...the force field is becoming brighter and brighter.

Do this for 2-5 minutes.

2. Say mentally or loud: (to your higher self):

”I ask that (name) may be attuned for the Ethereal Crystals IV Empowerment the strongest possible the person can handle.”

Or if you are preparing the attunement in advance:

”I ask that (name) may be attuned at (time) on (date) in his/her time zone for the Ethereal Crystals IV Empowerment the strongest possible the person can handle.”
